

Aqualand

"Aqualand", a lighting fitting designed for building facades. A technology based fitting. Sealing gaskets made of high resistance silicon. Water protection class "IP 55". Completely waterproof and dustproof. High luminous efficiency. Its shape makes it particularly suitable to illuminate the facades of both modern and antique buildings.

- SILVER
- MATT-WHITE
- MATT-BLACK (ON REQUEST)

Simulation:
50 W

Aqualand "C"

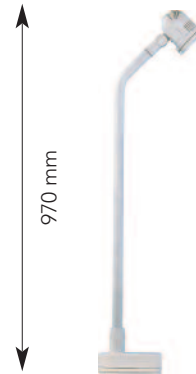

- GU 5,3 MR 16
- 230 V / 12 V
- MAX 50 W
- IP 55
- WITH TRANSFORMER

Aqualand "L"

- GU 5,3 MR 16
- 230 V / 12 V
- MAX 50 W
- IP 55
- WITH TRANSFORMER

EARTH-SPIKE
FITS ALL
"AQUALAND" SPOTS
(TO BE ORDERED
SEPARATELY)

Aqualand "CS"

- GU 5,3 MR 16
- 230 V / 12 V
- MAX 50 W
- IP 55
- WITHOUT TRANSFORMER

Aqualand "LS"

- GU 5,3 MR 16
- 230 V / 12 V
- MAX 50 W
- IP 55
- WITHOUT TRANSFORMER
